

Note concerning conduct of elections at the Annual General Meeting

Overview

No nominations were received for the Mallee Region in this election cycle. This means at the AGM the Mallee regional position will remain vacant and nominations will be invited from the floor in accordance with the Landcare Victoria Inc rules.

Eligibility

Nominees must be:

- At least 18 years old
- A financial member of a financial Landcare Victoria Inc. Member Group in the Mallee Region
- Not employed for more than 14.4 hours per week by a Member Group
- Not the subject of any disciplinary action

Nomination

Candidates must be nominated by a voting delegate of the relevant voting region's Member Groups and their nomination must be seconded by a voting delegate of another Member Group in the relevant region. Voting delegates may self-nominate. If no valid nominations are made, the vacancy will be regarded as an extraordinary vacancy to be filled by the Board under Rule 33.4.

Voting

In the case of a single valid nomination being received, the candidate will be elected unopposed. In the event of more than one valid nomination, the position will be filled by a ballot of Member Groups, with the vote exercised by registered voting delegates from the relevant region, present at the meeting.

Term of office

As this is an extraordinary vacancy, a successful candidate would fill the Mallee regional position for the remainder of the current 3-year term only, with the Mallee region next coming up in the election cycle at the 2025 AGM. An individual filling a casual vacancy may re-nominate for another term when their initial term has concluded.
